Institute of the International Association for Research and Testing in the Field of Textile Ecology

The company

Orion Knit Textiles Ltd.

Jamirdia, Habir Bari, Valuka

Mymensingh, BANGLADESH

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 11.0.95419**

Tested for harmful substances

according to Oeko-Tex® Standard 100

11.HBD.95419

Hohenstein

for the following articles:

Knitted ready made garments (T-shirts, polo shirts, tank tops, sweat shirts, trousers and leggings) made of 100 % cotton, cotton/elastane, white and dyed, cotton/viscose in grey melange as well as yarn dyed made of 100 % cotton, including accessories (sewing threads, woven and printed labels, polyester buttons, elastic tapes, embroidery threads, interlinings, pigment and rubber prints in colour black, blue, yellow, red, orange, green, violet and pink on 100 % cotton fabric); exclusively produced from materials certified according to Oeko-Tex® Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 31.10.2012

Boennigheim, 06.10.2011
